

Vivicta - invoicing addresses

Please always send **electronic invoices** to all Vivicta companies except those located outside EU. If electronic invoicing is not possible, please send **pdf invoices** to our email scanning mailboxes. **Paper format invoices** are the last option to be used.

Remember that invoices should always state **the correct legal name** and **mandatory reference information** (purchaser name or Purchase Order number). Without this information we will not be able to process invoices for payment.

Most of our companies are available in Peppol Network (search by VAT number or Legal name)- [Peppol Directory - Search](#)
